

## Class Portraits... Great For Fund Raising

1. Take a large sheet of white paper (A4 or larger), draw a rectangle in pencil 300mm wide x 150mm tall.
2. Leave space for the wording (we will add this professionally if you wish).
3. Divide the remaining space by the number of "artists" and give each a sheet of paper the appropriate size, encourage them to draw as large as possible, using a BLACK felt tip pen or similar (NO PENCIL Please) or Coloured pens unless at full colour price.
4. Leaving space for your wording, paste all designs within the original pencil rectangle.
5. Place between stiff boards, or use a postal tube (for protection) and send to us with your order.
6. Or Email your design in a large hi-res (no less than 300 dpi) Jpeg format file, to [sales@Westfield4Schools.co.uk](mailto:sales@Westfield4Schools.co.uk)
